Luxury Audio Group and CLUB LUX at AXPONA 2025 – Room Schaumburg D

Luxury Audio Group and its partners have put together something special for AXPONA 2025, April 11-13 at the Renaissance Schaumburg Hotel & Convention Center, 1551 Thoreau Dr. N, Schaumburg, IL, 60173.

The active exhibit and demonstrations will feature a curated \$1.4M+ audio system, consisting of the following:

Estelon Extreme MkII (flagship loudspeakers with remote adjustments)

Vitus Audio Signature Line Stage SL-103

Vitus Audio Signature Amp SM-103 (2 amps per speaker for biamping)

Vitus Audio Signature DAC SD-025

Taiko Olympus Music Server/Streamer

Sonus Reel to Reel tape decks (2 units to allow for more convenient demos)

Audio Realignment Technologies EMI Absorbing Devices

NEOHigend Audio Rack, Amp Stands, and CeraDisc Isolation Feet

Ekustik Bass Traps and Mobile Diffusers

Crystal Cable Art Series DaVinci Audio and Infinity Power Cables

Luxury Audio Group will also be hosting CLUB LUX Friday and Saturday (April 11-12) 5:00pm - 7:00pm.

Club Lux is not the normal MIXER EVENT. The exhibit room converts into a night club/lounge with quality beverages, lights, club music, and many people having fun!

What an incredible opportunity to see, hear, and experience a truly world-class audio system and to learn more about the brands, their products, and technologies, and to meet representatives from the companies. See you there in room Schaumburg D.
